TIME IS RUNNING OUT!
. . . but we're almost there!

Florida Hometown Democracy

is closing in on its goal of gathering 611,000 signed petitions to put its initiative -- to let the people decide how their communities will grow -- on Florida's 2008 ballot. There are less than 8 weeks left to meet the deadline. Please, please continue to gather and send in petitions (and donations!).

If you haven't done so already, email the petition to everyone on your email list, homeowners association, favorite organization, etc., and ask them to sign and pass on to everyone they know.

Download and print petitions from:

www.FloridaHometownDemocracy.com

and mail them completed to

P.O. Box 636, New Smyrna Beach, FL 32170-0636.
